Legend

Lane Closed

All,

Beginning Tuesday, September 1, 2020, there will be temporary lane closures for approximately 100 lineal feet on N. Union Road just south of Skyview Drive as the contractor, Peterson Contractors Inc., completes some storm sewer work. The contractor will be using standard lane closure materials in addition to flaggers only as work is taking place. The lane closure will be completed within two (2) days. Above you will find a map with the closure area highlighted.

For safety purposes, please do not enter the construction area.

If you want to receive road closure notices by e-mail, visit www.cedarfalls.com/notify and follow the instructions for road construction as shown.

If you have any questions or concerns during the course of construction, you may contact the Engineering Division at (319) 268-5161.

Sincerely,

JONATHAN P. FITCH, P.E.

Principal Engineer
