

## Main Street Closure - Fire Hydrant Replacement

All,

Beginning Monday, May 18<sup>th</sup>, the contractor for the Downtown Streetscape and Reconstruction Project will be removing and replacing the existing fire hydrant, and its connection to the water main, in front of the Cedar Falls Community Theatre located at the intersection of W. 1<sup>st</sup> Street and Main Street. Despite the closure, access to the 100 block businesses will remain intact. For the contractor to perform this work, a **full road closure** will be in effect for **five (5) to seven (7) days**. Above you will find a map with the closure area highlighted.

Regards,

Sincerely,  
**Benjamin Claypool, Civil Engineer II, PhD, EI**
