In order to provide our clients with the best possible experience at our facility, the Cedar Falls Recreation Center is proud to hire and train the most qualified fitness instructors for all of our classes based on, but not limited to; their certifications (preferred, but not required), their teaching background, experience, the instructor's personality, their availability to teach the majority of the classes during the time/days, ability to help participants modify an exercise and how all these fit or match the individual and the expressed needs of the participants in each class. We welcome your feedback to let us know how we are doing. Class availability may depend on number of participants signed up on the first of each month. The Rec Center holds the right to cancel any class at any time with less than seven participants for two consecutive weeks or any class that does not have enough pre-registered participants.

FITNESS CLASSES

Barre—All Levels

This class combines pilates, yoga and ballet to give you lean, sculpted muscles without impact! Barre is based on ballet's high rep principles to increase muscles strength and endurance. Core and lower body will be challenged without straining tendons or ligaments. Barre will improve your mind-body connection by contrasting between small, precise movements and larger, more dynamic ones.

Body Blast—Intermediate Level

A combination of cardio and strength training exercises will raise your heart rate and kick start your metabolism! This class incorporates all essentials into one powerful workout.

Cardio Express—All Levels

A half hour of heart-rate-raising cardio that can be scaled up or down to match your fitness needs.

Chisel—All Levels

All the best strength training and muscle toning exercises rolled into one burner of a class. We use BOSU balls, stability balls, TRX Suspension Trainers, dumbbells, body bars, resistance bands and glide discs for a full body workout.

Cycling—All Levels

An intense but low impact aerobics class on a spinning bike set to great music and guaranteed to burn calories! First come first serve.

Energize Cycle—All Levels

Low impact on your joints, fast pace interval training with upbeat music to help you push harder and go faster while focusing on your individual cycle goals. The dark, energetic environment with fun party lights makes it feel as though you are cycling in the club!

HIIT & Kick—All Levels

This workout combines high intensity interval training and kickboxing for a full body workout. Your instructor will design your workouts with multiple levels of intensity to allow you to work to the best of your own personal ability. Challenge yourself! Please remember to bring your kickboxing gloves.

Low Impact Aerobics—All Levels

This low impact class will safely increase all areas of fitness for the beginner or those looking for an "easy on the joints" workout. This class uses steps, and weights, mats, tubes, stability balls, weighted bars and glide discs.

Powerhouse—All Levels

You want tough, gritty lifting sessions? Powerhouse is your answer. Build muscle strength and definition using the most current weight lifting principles including: progressive overload technique, "running the rack" and super sets. Your body will adapt to the constant challenges by getting leaner and stronger.

Simply Stretch—All Levels

Stretching is an important component to your overall well-being. Stretching increases flexibility and range of motion and helps prevent injury and muscle soreness. It also helps improve posture and is a great stress reliever! Finish off your mornings with a 30 minute stretch class!

TRX Trained—All Levels

Strength training using the TRX Suspension training system will challenge and improve our strength, balance and flexibility. Make your body your machine!

Yoga/Pilates—All Levels

Improve flexibility, core strength and muscle endurance in our yoga & pilates classes.

Zumba® Fitness—All Levels

Dance your way to a fitter you! New, exciting and unique Latin dance moves that target every muscle group. A total body workout, combining all elements of fitness—cardio, muscle conditioning, balance and flexibility, boosted energy and a serious dose of awesome each time you leave class.
