

All,

Beginning **Monday, September 9, 2019** the Iowa DOT's contractor will be installing water main across North Division Street at the intersection of 1st Street. In order for the contractor to begin work, a full width road closure will be required. Below you will find a map with the closure area highlighted.

For safety's sake, please stay away from the construction area. Heavy equipment will be moving back and forth on the closed street. It would be advisable to stay behind the sidewalk on the property side during the reconstruction work.

If you have any questions or concerns during the course of construction, please contact Ron Loecher with the Iowa DOT listed below:

Ron Loecher, PE, Resident Engineer, 641-394-3161, Ron.Loecher@iowadot.us

Thanks,
Ben Claypool
